Full job description

Your new company

Our client is seeking a trade qualified Heavy Vehicle Mechanic to join their team based in Western Sydney. Established in 1932, this company is the largest privately owned, waste management company in Australia. Become apart of the well established company, and apply today!

Your new role

This position is based within the company's workshop within Western Sydney. The successful candidate will be responsible for the following;

- Perform mechanical repairs, diagnostics and servicing of heavy vehicles
- Onsite checks and breakdowns

What you'll need to succeed

The successful candidate will require the following;

- Trade qualified Heavy Vehicle Mechanic licence
- HR license
- Previous experience in heavy vehicle maintenance
- Excellent communication skills
- Ability to work individually and within a team environment

What you'll get in return

Develop your skills within a well established company with over 85 years' industry experience. Work for an attractive rate of \$50ph, with uniforms & PPE provided.
