Full job description

Electrician

Exciting opportunity to work for mining giant in Mount Isa

Your new company

Our client are a world renowned mining giant specialising in hard rock mining.

This mining house are looking to recruit for an electrician to work in their processing area.

Your new role

Due to an increase in workload our client are now looking to recruit for a trade qualified electrician to work in the processing areas. This role will see you responsible for preventative maintenance, troubleshooting and breakdowns on fixed plant equipment. This is a residential role in Mount Isa and no flights or accommodation will be provided however relocation expenses and temporary accommodation will be provided. You will be required to work a Monday - Friday roster.

What you'll need to succeed

To succeed in this role you will need to be a trade qualified Electrician with a current QLD electrical license. You will also need to have a current manual drivers license. This role is residential Mount Isa so you must be willing to reside in Mount Isa for the position.

What you'll get in return

In return our client can offer

- ongoing role
- perm for the right candidate
