Full job description

Your new company

Looking for new Automotive opportunity?

Our client is seeking an experienced Plant Mechanic to join their team based in Western Sydney.

Become apart of Australia's largest integrated service provider, and work within the company's brand new facility!

Your new role

Within your new role you will service and maintain the company's civil equipment based within their new workshop. This equipment can include Pavers, Profilers, Skid Steers, Rollers and Construction Equipment.

What you'll need to succeed

- Trade qualified certificate; Heavy Vehicle or Mobile Plant
- HR & Forklift Licence are desirable
- Previous plant experience
- Previous electrical and hydraulic fault finding experience
- Ability to work within a team
- Excellent communication skills

What you'll get in return

- Work within a brand new modern workshop
- Opportunity for long term career advancement
- Develop new skills and work for a reputable company
