Full job description

Your new company

You will be joining a multinational medical devices company with a wide portfolio of innovative solutions and customer-centric culture.

Your new role

Reporting to the Strategy Director, as Contract, Pricing & Tenders Manager you will be responsible for the pricing and tendering application process, partnering with the Sales & Marketing team. Your main responsibilities will include:

- Preparing product pricing relevant documents and tendering submission documents to ensure timely submission of tenders and pricing application.
- Maintaining close relationships with tendering and local pricing teams to keep up to date with tender and pricing requirements and for document submission.
- Maintaining tendering website and inner share folder update.

What you'll need to succeed

Requirements to be successful in this role include:

- Experience in management roles in contract, pricing and tendering in the Life Sciences or FMCG industries.
- Excellent communication and interpersonal relationship skills.
