Full job description

Your new company

Our client is seeking an experienced GSE mechanic to join their team, located in Mascot. The company specialises in supplying a range of ground support equipment to the aviation industry. Operating for over 40 years, our client services the most advanced and modern specialised equipment. Apply and join the team today!

Your new role

The following duties can be expected in your new role;

- Fault finding & servicing a variety of GSE equipment
- Hydraulic fault finding & repairs
- Attending breakdowns
- Documentation of all work
- Routine maintenance

What you'll need to succeed

- Mechanical trade certificate
- Experience within hydraulic servicing & repairs
- Forklift & HR license is desired
- Ability to work independently and within a team

What you'll get in return

Don't miss this opportunity to work within a new facility, with lots of opportunity for over time. Become apart of a reputable company with endless potential for

career advancement..
