### Full job description

#### Your new company

Hays have partnered with a reputable Commercial builder who specialise in building Apartments, Offices and Townhouse projects up to \$50M. Based in Collingwood, they have been in operation for about 15 years and have a solid brand name in the market, this role is available due to business growth.

#### Your new role

You will be responsible for:

- Managing high rise Apartment projects within Melbourne's inner districts.
- The procurement process, coordinating subcontractors & liaising with the site team.
- Making sure projects are delivered on-time and within budget.
- Managing all correspondence with the relevant stakeholders including the client, consultants, architects and internal staff.

#### What you'll need to succeed

- Proven track record in delivering high rise Commercial or Apartment projects within VIC as a leading Project Manager or Senior CA.
