Full job description

Your new company

With over 50 years experience in powering the world of work with our recruiting expertise, Hays is the worlds' leading specialist recruitment firm. We are currently experiencing a high level of demand from a range of clients and are accepting expressions of interest for experienced Life Sciences professionals in Pharma or Medical Devices with availability from May/June

What you'll need to succeed

Roles will vary across client organisations, but the general scope of duties requires a professional with:

- Tertiary qualification in science related field e.g pharmacy, chemistry, biomedical science.
- Excellent communication skills both written and verbal.
- Adaptable and flexible working attitude .
- Experience with pharma or medical devices would be highly regarded

What you'll get in return

A variety of start dates dates. Varying contract lengths from 3-12 months with possibility of extensions.
